Ete sal voorsien word.** Laat weet asb. as u die middag sal bywoon sodat voorsiening gemaak kan word vir etes.

Brandstof subsidie: Omdat baie van ons kliënte ver moet ry bied ons aan alle kopers **5% afslag** net op 'n totale aankope **bo R100,000**.

ONS NAMIBIESE EN BOTSWANA KOPERS ; Die nuutste informasie wat ons het is dat die Bek-en-klouseer uitbraak onder beheer is en dat die uitvoere binne twee weke of so weer sal kan plaasvind (ons word goed ingelig). Ons beveel dus aan dat sou julle Meatmasters wou aankoop op die veiling julle kan voortgaan, want die skape sal in elk geval nog vir ten minste 'n maand na die veiling op die plaas moet bly om al die nodige toetse te laat doen. Daar is dus nog drie maande oor om die grense oop te kry. As die grense dan weer oop is sal ons die skaap in Namibia aflewer net anderkant die grens. Sou daar verdere probleme ontwikkel as gevolg van probleme aan ons kant sal ons bereid wees om julle geld terug te gee. **KONTAK ONS ASB** so gou as moontlik as julle meer wil uitvind. Ons help graag.

Akkurate rekordhouding en wetenskaplike seleksie in perfekte balans vir maksimale wins verseker dat ons stoet en ons kopers die voordeel kry van die beste Meatmasters beskikbaar. **Fenotipe:** hoe die skaap lyk maar veral funksionele doeltreffendheid is vir ons ook baie belangrik aangesien ons nie net die winsgewendste skaap maar ook die beste tipe Meatmasters wil teel. **Ons Meatmasters bestaan ook uit 7 verskillende bloedlyne** sodat inteling nooit 'n bekommernis hoef te wees vir ons of ons kliënte nie.

Al ons Meatmasters is vir tot **10 geslagte en langer suiwer geteel**. Die eienskappe wat die koper in hulle raaksien en ook hulle produksie potensiaal is dus vas geteel en sal dit aan hulle nageslag oorgedra word. **Met eerste en tweede kruisings is dit gladnie moontlik nie. U koop hoofsaaklik basterkrag wat later sal verdwyn.**

Ons het vanjaar **100 Uitmuntende Ramme en 210 ooie op die veiling** om seker te maak dat almal kwaliteit ramme en ooie kry wat hul sak pas. Nie- verkope na die veiling is vir ons geen probleem, maar kliënte wat nie met 'n goeie Meatmaster huistoe gaan nie, is. Van ons ramme en ooie behaal gereeld die duurste pryse op Nasionale en veldram veilings, maar u kry slegs die heel beste kwaliteit Meatmasters **net op ons Produksie veiling**.

KOPERS wat nie die veiling kan bywoon nie, kontak ons om te help met aankope en Vervoer.

Ons aanbieding vanjaar sluit in **ses uitstekende BEPROEFDE RAMME**, en al ons uitstekende 2012 ooie. **Hulle nageslag is iets besonder.** Gaan na www.clyntoncollett.com vir meer besonderhede en die katalogus.

33rd Production sale 320 Meatmasters

Satisfied customers our greatest priority for 47 years of stud breeding

We offer you the product of years of dedicated scientific and phenotypic selection!

310 REG. PERFORMANCE TESTED STUD MEATMASTER RAMS AND EWES. 60 grade ewes

We invite you all to our 33rd Production sale on **28 February 2019** at La Rochelle, Venterstad. **We recommend you join us at 14:30 the afternoon before the sale** to view some of the sheep on offer, exchange information, and socialize the evening. Food will be provided. **Please let us know if you will attend the afternoon so we can prepare for the evening meal.**

Fuel subsidy: Because many of our clients travel a long way, we now offer to all buyers a **5% discount only on total purchases over R100,000**

Namibian and Botswana buyers: The latest information we have regarding the Foot and mouth outbreak is that it is under control and that the exports should resume in about two weeks' time. **We advise that should you want to purchase Meatmasters on our sale you go ahead** as the sheep will have to stay on the farm in quarantine for a month after the sale in any case. With still a month and a half to the sale gives us three months for authorities to get exports cleared again. Once the borders open again, we will deliver the sheep to just over the border in Namibia. If for some reason the sheep can't be delivered because of a problem on our side, we will refund your money. **PLEASE contact us** if anything is not clear or if we can be of further assistance to you.

Accurate recording and selection in perfect balance for maximum profit gives our stud and our buyers the advantage of the best Meatmasters available. **Phenotype** (*what the sheep looks like*) but especially functional efficiency is very important to us as we not only want to breed the most profitable but also the best type of Meatmasters for our buyers. **Our Meatmasters also consist of seven different bloodlines so that inbreeding never becomes a problem for us or our buyers.**

Our Meatmasters have been pure bred for at least **10 generations and will breed true to type.** The qualities the buyer sees in them and their production potential will be seen in their progeny. With first or second crosses this is not possible as you will be buying mainly hybrid vigour that will later disappear.

This year we offer **100 exceptional rams and 210 excellent ewes** to make sure each buyer gets quality sheep at affordable prices. Not-solds after the sale is to us no problem but breeders going home with no quality Meatmasters is. Our Meatmasters often receive the highest prices at national and veldram sales, **but we assure you the best is only available on our production sale.**

BUYERS not able to attend the sale personally please contact us so we can help you to buy what you want and arrange transport for you. Sheep can also stay for you to fetch later.

Our presentation this year includes **SIX EXCELLENT PROVEN SIRES** and all our **2012 EXCELLENT EWES** and **still a lot more**. Go to www.clyntoncollett.com for more details and the catalogue.

Come and enjoy the day with us and learn more about this wonderful breed and meet breeders from all over South Africa. Meals and drinks are free. Buyers and non-buyers all most welcome.
